Astrological Compatibility

Astrologically, you are each represented by a chart of the planets and houses at the moment of your birth. By comparing and contrasting the interrelationships of two separate charts, I can reveal the many ways and many levels that you relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years. This report analyzes each of your charts and interprets the astrological connections between them. The charts' data, along with planetary positions, house cusps, and chart wheels are printed on the previous pages. There are four possible sections to this report, two for each of the charts. For each of you the two sections are:

1) How you approach relationships. This section considers only the one chart, and is appropriate for all relationships you make.

2) How you relate specifically with each other. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years. I hope you enjoy your exploration into this relationship and if you have any questions, please don't hesitate to contact me.

Report for Brad Pitt

How You Approach Relationships

You are so forgiving and accepting that some would think you woolly-minded. You are by nature philosophical and understand how things are in the world to such a degree that it is hard for you to take anyone to task. And very sensitive too. Unquestionably, a bit of a dreamer. There will be few who will be able to really understand and get to know you. You tend to fall for very down-to-earth and practical types. You would prefer to leave all the details of life to your mate, a trait that does not always endear you to them. You love their gentleness, and the care and fastidiousness they expend in your behalf.

Virgo on 7th Cusp

Above all, you have a need for partners that are bright, witty, and that like to talk and communicate. You must have mental compatibility before you get serious about someone. Aside from talking, you like others who are interested in speaking and writing.

Mercury Ruler of 7th

You depend on your relationships to learn about yourself. You tend to be intense and confrontational, and love to strip away the social amenities in a group situation and get down to the nitty-gritty. Others find you passionate and always interested in sensitive issues -- skeletons in the closet, and the like.

Pluto in 7th House

Strengths in your relationships

You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and unconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

Mars Trine Uranus (orb: 00 08')

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

Mercury Sextile Neptune (orb: 00 28')

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

Moon Conjunction Venus (orb: 01 53')

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

Mercury Trine Pluto (orb: 02 07')

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands in the real stuff of life, blood and all.

Mars Trine Pluto (orb: 04 02')

When it comes to self-expression, you are a natural and can always put what you feel into words. Your mind is quick and tends not to get bogged down in emotional issues. You would do well in any of the communication fields, and are an excellent speaker. People find it easy to get a sense for a subject when you put it into words. You write well.

Mercury Conjunction Mars (orb: 06 08')

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

Mercury Trine Uranus (orb: 06 16')

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

Mercury Conjunction Venus (orb: 07 25')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Moon Conjunction Mercury (orb: 09 18')

Report for Brad Pitt

Challenges in your relationships

You may squander your money, tend to expand too rapidly, do too much. Your feelings often run counter to the status quo or accepted norm, with the result that you may tend to be a bit of an outlaw. This could extend to your married life too, which might be somewhat unconventional. A stubborn streak may find you refusing to walk the straight and narrow, doing what is expected.

Mars Square Jupiter (orb: 00 21')

You think you can get around doing things as you know they are supposed to be done. These shortcuts end up costing you a lot. You also tend to bite off more than you can chew and can have a million projects going at once. You get carried away with yourself easily in arguments, and those close to you sometimes accuse you of not being entirely fair with them.

Mercury Square Jupiter (orb: 06 30')

Your Relationship with Jennifer Aniston

Aside from any physical relationship, you have found a real spiritual friend in Jennifer. She tends to feel the same way you do about philosophical and religious issues. You find her very supportive, a real collaborator when it comes to ideas and issues of importance. Both of you are real talkers, and probably tend to burn the midnight oil once you get going. It is possible that she may introduce you to new spiritual and metaphysical concepts or strengthen any beliefs you already have. Long trips might be in order.

Her Moon in Your Ninth House

You may not be famous for your willingness to sacrifice, but if anyone can get you into this mode, it is Jennifer. She has a way of encouraging you to let go of a whole lot of small grievances that you have hung onto in the past. Somehow it's very clear when you're with her that they are not worth the hassle. She really helps to separate the wheat from the chaff in your character. You get the feeling that you are about to be a lot better person. It's not a totally unattractive feeling.

Her Sun in Your Twelfth House

You find that Jennifer is a fair and open person, and your conversations with her tend to focus on humanitarian and global concerns. There is always a high tone to your talks, and you both bring the best out in each other. You may tend to agree on goals and social/political issues, or be part of some larger group's work. There is a mental and intellectual bond between you that could result in a partnership involving speaking or writing.

Her Mercury in Your Eleventh House

You find her absolutely charming, partly because you know that she really appreciates you. This was true from the first time you met. You have the sense that here is someone who likes you for the same reasons that you like yourself. You can almost do no wrong. You share many of the same values, like the same kind of things, and enjoy each other's company.

Her Venus in Your First House

Here is the possibility of a very intense and even passionate relationship. Sexual overtones are almost inescapable. Jennifer moves you to feelings that are very direct and personal. You probably tend to spend time alone, if only because you might feel vulnerable being so open about yourself in public. This could be an excellent business relationship too, since there is the ability to get down to what is important -- the real nitty-gritty. Not a casual meeting.

Her Mars in Your Eighth House

Jennifer may have been the means for you to meet many new people in your life. You like to be in the public and feel social when you are with her. She makes it easy for you to respond to others, understand them, and share in the common experience of life. She could be instrumental in leading you into a career involving the public or bringing your current career into greater public attention. There is a real sense of comradery with you two.

Her Jupiter in Your Seventh House

A more serious relationship than others. There could be almost a parental tone, for she can't help but function as an authority figure of one sort or another. You may feel that she is a party pooper, tends to stifle how you come across, and puts restrictions on you. There is sure to be a strong effect when the two of you get together. At the very least, she will serve to temper and shape your approach to life. A good tie if you need discipline.

Her Saturn in Your First House

You may have met in an unusual, unexpected way. There is always this sense that she may vanish as quickly as she appeared. You never are quite sure what she is about to do next. There is a strong possibility that Jennifer was a key to introducing you to new people or a new crowd. Time spent together is fun and filled with a sense of adventure and discovery. She is good at sharing new ways to approach people and relationships.

Her Uranus in Your Seventh House

Here is someone with whom you share a broad and far-reaching vision. Together the two of you are transported by late- night discussions and common dreams. She brings out the eloquent in you, and when you are with her you sense that you are part prophet and visionary. Your religious and philosophical ideas are in fine tune. There is a very heady kind of romance here.

Her Neptune in Your Ninth House

Jennifer's influence could revolutionize the way you relate to other people -- your social life. You have found yourself re-examining ideas of marriage, social values, and relationships. She seems to exercise a strange power over you, and this was true from the very first time you met her. You may find yourself wanting to hide this relationship because you feel exposed. She is almost too personal at times. Knowing her amounts to a crash course in facing yourself.

Her Pluto in Your Seventh House

Your Moon Trine Her Jupiter (orb: 09 38')

Challenges in your relationship with Jennifer Aniston

Jennifer may not appreciate the way you come on and act. Your basic energy, the way you feel, is counter in some way to her values and ideals. She may act aloof. You may have a tendency to be a bull in a china shop when it comes to what she cares about.

Your Mars Square Her Venus (orb: 01 21')

She may feel that you pooh-pooh her fears and worries. Her own need for sensitive self-examination and transformation may not appeal to you, with the result that you may sidestep her little confrontations. There could be a bit of a power struggle, complete with explosions.

Your Sun Square Her Pluto (orb: 01 32')

She may have a tendency to throw cold water on your enthusiasms and hurt your feelings. You may not take her problems seriously enough to suit her, and she may tend to restrict your natural sense of love and appreciation. There is cold-war tension to this relationship.

Your Venus Square Her Saturn (orb: 02 40')

You may find her somewhat repressive of your feelings. She manages to put a damper on you every time you get to feeling good and comfortable. There is no way you will support this side of her, and this could lead to a real standoff.

Your Moon Square Her Saturn (orb: 04 33')

She is critical of your ideas, and you may feel somewhat tongue-tied when you are around her. She may feel that you refuse to consider her problems or that you dismiss them with a few words.

Your Mercury Square Her Saturn (orb: 04 45')

Timing could be off between the two of you. Your drive and ambition fail to link up with her ideas of career and success. You may feel that she is not a good decision-maker and tends to squander your assets.

Your Mars Square Her Jupiter (orb: 04 56')

Sudden outbursts of temper and unusual emotions may color this relationship. Your inner drive and feelings may tend to go against her need for independence and freedom.

Your Mars Square Her Uranus (orb: 06 43')

You never know what to expect with Jennifer. Her need for variety and the unusual may conflict with your own more conservative trends. She may tend to be a rebel, with you always playing the authority figure. Sometimes hectic; seldom boring.

Your Sun Square Her Uranus (orb: 07 23')

She doesn't appreciate the way your mind works. Your words are wasted on her. You may find yourself being mentally critical of her ideals and sense of values. She doesn't like the way you think.

Your Mercury Square Her Venus (orb: 07 29')

How You Approach Relationships

You love to communicate with other people, whether by talking, writing, gossip -- you name it. You tend to ignore all that is awkward or gauche, and stick to what is light and uplifting. You are always on the move, and are easily bored by situations. Perhaps you have an inner fear of being a lightweight, of being superficial, and spending too much time on nonessentials. You love to be drawn into really deep conversations by a partner, and staying up all night talking about life is your idea of living. Your partner tends to be the center and rock around which you base your operations.

Sagittarius on 7th Cusp

You like others who are educated and world-wise. You may value them for their philosophical or religious views, and may have a tendency to assume the role of a student when you are around them. You tend to use most relationships as learning experiences, and you're attracted to authority figures and partners with good common sense. You may tend toward older individuals.

Jupiter Ruler of 7th

You really depend on relationships for growth and support, and you tend to find yourself in, and by means of, other people. Others find you very supportive. You may be a bit of a "mother hen" when it comes to watching over your friends and partners.

Mercury Sextile Neptune (orb: 01 44')

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

Sun Sextile Saturn (orb: 01 51')

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Mercury Trine Uranus (orb: 03 07')

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

Moon Trine Saturn (orb: 04 04')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Trine Jupiter (orb: 04 54')

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over.

Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

Mars Conjunction Neptune (orb: 05 00')

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. Mercury Trine Pluto (orb: 05 48')

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

Moon Sextile Sun (orb: 05 55')

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. Challenges in your relationships

Others sense in you the presence of much energy, almost a tension. You may tend to have trouble just relaxing and find yourself always on the go, doing things. This aggressiveness could lead to undue competition and striving. You may have a sense that you can't always trust your drive and feelings. There also could be a tendency to buck authority, in particular, powerful men.

Sun Square Mars (orb: 00 41')

The last of the big spenders! You are by no means conservative, and overindulgence of all kinds is sort of second nature. You tend to ignore the realities of life in favor of the perks. This may bring you hard up against natural or human law, again and again. No one can accuse you of lacking ambition. The straight and narrow is unappealing to you. You would rather range along the fringe. A nonconformist.

Venus Opposition Jupiter (orb: 03 35')

You could have a fear of the new and different -- of sudden changes. However, once they occur you really get a charge out of them. You would like to break away and live an unusual, exciting existence, but your conventionality holds you back from making the move. The result is that you often feel frustrated and mired in the humdrum. Jealousy in love affairs could present a problem.

Venus Opposition Uranus (orb: 05 22')

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

Sun Square Neptune (orb: 05 42')

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security. You may tend to dominate a relationship, but without success.

Your Relationship with Brad Pitt

There is almost a sense of mystery about your relationship with Brad. You cannot hide things from him, so there are no formalities when you are around him. You feel exposed. The whole thing has a magnetic sexual quality to it which both of you support. You tend to feed on this arrangement, with the result that the experience is strengthening and supportive. Aside from this you may be involved in some kind of financial partnership. He might act as your agent, or as a go-between.

His Moon in Your Eighth House

This is a true partnership -- real marriage material. When you first met Brad, you got the message as to what marriage and partners are really all about.
