Starting Positions

Transit

Mars in the 7th

03°10' Libra

Close relationships and other ties between people become a focus for much of your energy now. New partnerships are entered into; old ones are renewed or else they get left behind. You try your strength against another's, learn to cooperate or seek to conquer.

Mars in Libra

03°10' Libra

"I'm giving you a definite maybe" - that's the motto of the cycle you're now entering. It's a time of refinement and tact, of an urge to please others that is so strong as to make it hard to decide or act for fear of offending someone. You'll quickly learn to balance this out, or you'll discover that there is no peace in compromise - and this can be tough on close relationships. The trick is to find the win-win solution to the no-win situation - and if anyone's ever up to it, you are now.

Jupiter in the 7th

01°20' Libra

Close relationships offer a lot of potential for growth and good fortune now. A marriage or other partnership can raise high hopes and give your spirits a boost. People close to you are optimistic and have good prospects.

Jupiter in Libra

01°20' Libra

The ties that bind, the harmonious integration of opposites, the perfect balance: these are the keys to your greatest opportunities now. Marriage and other close personal relationships tend to offer bright prospects, and you have a deep yearning to experience the fulfillment they can bring.

Saturn in the 5th

26°02' Cancer

Affairs of the heart could be a rough row to hoe now. Someone you care about - a child or lover, perhaps - may be a cause for concern. Self-control and setting limits is important in love and other games of chance: think long-term, and be realistic in your approach to these things.

Saturn in Cancer

26°02' Cancer

Putting down roots and building a solid foundation is essential to your sense of security now. This means coming out of your emotional shell in some sense, and you may find that very hard to do - but it's essential nonetheless. Caring is not weakness, but strength.

Uranus in the 12th

03°33' Pisces

Solitude can be a consciousness-raising experience at this time in your life. Uniqueness makes people stand out; being alone gives you a chance to try out new insights and ideas. This may involve coming up with new ways of helping those who cannot help themselves for one reason or another. Unusual ideas regarding social reform or technology can set you apart.

Uranus in Pisces

03°33' Pisces

Radical mysticism, idealistic visions, new insights into the linkage between the past and future: all these things are accentuated now, as you come into a new cycle. Experimenting with artistic norms and breaking the rules satisfy an inner need, yet may exact a toll if you are not conscientious about it.

Neptune in the 11th

12°45' Aquarius

Futuristic ideas and social reform have a way of changing your life now. Friends or groups you associate with have an element of mystery or idealism about them - perhaps an aura of the mystical or psychic, or even a certain amount of deception. You become involved with causes you believe in.

Neptune in Aquarius

12°45' Aquarius

Humanistic ideals and a belief that technology and social reform can create a utopia become powerful and inspiring images at this time. Personal and selfish concerns seem petty and ignorant - and all the more so if they are part of the status quo. Liberty, equality, fraternity: are they the ultimate answers or only the foundations for something that transcends them all?

Pluto in the 9th

19°49' Sagittarius

Travel, education, and exposure to religious or philosophical ideas: one or more such experiences can change the course of your life now. Seeing the big picture makes the scales fall off your eyes... Legal and political matters can have a bigger impact than you anticipate, so approach them with care.

Pluto in Sagittarius

19°49' Sagittarius

The test of faith, the inquisition, the purging of the superficial: these issues take hold at the very roots of your existence now. This is a kind of spiritual or philosophical rebirth, and it is not always gentle. Ultimate answers come from far away.

Secondary Progressions

Moon in the 5th

21°31' Leo

Lovers, children, and other people or things dear to your heart are emphasized at this period in your life. Being appreciated and admired for your gifts and talents is a powerful need. Taking chances can bring big rewards.

Moon in Leo

21°31' Leo

A need to be the center of attention takes hold in your life now - a craving to give and to be appreciated for your gifts. This can be an expansive, creative, and even romantic phase, a time you'll look back on with pride and fondness.

Sun in the 11th

00°18' Aquarius

Ideals and a sense of belonging to something bigger than the merely personal become greater focuses in your life at this time. You attach more importance to friendships and taking part in group activities that center on idealistic goals.

Sun in Aquarius

00°18' Aquarius

This is a time when your path of self-development and expression becomes more and more unusual - setting you apart from the crowd and from all that is traditional. The new, the futuristic, the high-tech are the hallmarks of your lifestyle as the cycle gets underway. Ideas and technologies that change the way people live - not just one person, but many - are a major new focus in your life. Involvement with ideals and idealistic groups enhances your sense of purpose and mission.

Mercury in the 11th

24°49' Capricorn

A yearning for the stimulation of new ideas and ideals is emphasized for you now. Others may see the world as it is and ask why, but like Bobby Kennedy, you imagine the world as it could be and ask why not. New friends and an involvement in idealistic groups take on greater importance for you now... the old is suspect; the new seems to hold all the answers.

Mercury in Capricorn

24°49' Capricorn

Figuring out how to organize projects and people is apt to become a topic of special interest - and a challenge - at a time like this. Opinions are not enough for you now: they must be backed by authority or evidence, and above all they must have practical worth and application. A period of intense study and thought.

Venus in the 10th

10°52' Capricorn

Ambition and achievement are qualities you hold in special regard now. This is a time for getting ahead, a time for combining business and pleasure, a time to enjoy your career and savor its rewards. The social graces pave your path to success.

Venus in Capricorn

10°52' Capricorn

Marry for money and then learn to love 'em: that's what your heart tells you now, as a new cycle gets underway in your life. Does that sound cynical? Maybe so - but it does reflect the yearning

you feel for security and stability now, and it suggests the kind of compromises you may be willing to make to accomplish these objectives.

Mars in the 9th

14°14' Sagittarius

Discovering what you truly believe in - fighting for it, even - is a high personal priority now. Religion, law, politics, travel, and higher education are some of the arenas where this takes place. This is a time of testing your limits to see how far you can go.

Mars in Sagittarius

14°14' Sagittarius

Ideology is a keynote of the new phase you have begun - the power of ideas and the power they wield over people. Religious, cultural, or philosophical controversies and crusades have a way of stirring your blood. Travel and adventure are compelling temptations as you dare to test your mettle and stretch your horizons.

Solar Arc Directions

Moon in the 4th

20°26' Cancer

A cycle of nostalgia and domesticity begins now emphasizing a need for security and a sense of roots. Family, home, relatives, and real estate play a bigger part in your life. You want to belong on a private, intimate, personal level... to be needed, and to feel it's okay to have needs.

Moon in Cancer

20°26' Cancer

Emotional security, a sense of belonging and nurturing: these issues are felt instinctively now. You want roots; you crave a sense of intimate connection that will last - a castle against the vicissitudes of the world, so to speak.
